Sweet sweet Delbert. You were so good to Helen. You treated her like a queen. You had a love for the Lord and it's because of that love that our Jesus welcomed you with open arms. The angels are singing because of your entrance into paradise.

Delbert was a good man. He would always say "now, if there is anything I can do to help call me" and he meant it. He was the person that was there for all the older people and widows in our church He was also the go to man for the church. He has been and will continue to be missed.
