“ So many memories flood in when we think of him. Ball games pie suppers feeding cows. Homer and I set in our yard and reminisce for quite some time yesterday and there were some tears shed but when it was all done the biggest thing we could remember was that beautiful smile.

“ DD was more than a friend. I will never forget our many great times. Counting cows, and driving through the Rocky Mountains and taking him to the ocean were highlights I will never forget. I'm heartbroken and will miss my good friend. So sorry for the Chancey families loss.

“ Mr. Chancey was a great Teacher, Coach and School Administrator. Most folks credit him, along with Dusty, with keeping Dustin Schools open in a time when Oklahoma did not value small, rural schools. He loved his kids, his family and his community and he lived by "the Cowboy Code." Truly a great man and quite a character if you really got to know him. I had a lot of respect for him as did many other school folks.

“ As a child I was terrified of Mr. Chancey. As an adult I saw what a gentle giant he was and how much he truly cared for the well being of others. He was a good friend to my dad. He will be missed.
