“ Our thoughts and prayers are with Beverly, Lisa and the family. Lorie and I shared a lot of memories with the Ritter family. Donna was the church secretary and Butch was the church treasurer when we came to Henryetta. After Donna's death, we were there when Sue came into Butch's life. I will always remember after Butch retired, I asked him how the retirement life was going. He said the most difficult part of the day was choosing between playing golf or going fishing. Butch was a no nonsense kind of guy. We butted heads a few times, but I respected him and loved him and his family. We pray for God's comfort in your time of loss and rejoice that he is with loved ones that have gone before him.
