“ Allen from the day I met you you were a blast you were a force to be reckoned with, but you had a huge heart. You were funny and kind and just a tad bit crazy. You always treated my kids as your own and I hugged your neck every chance I got, I know both of your boys love you very much and will miss you more than you can imagine, and all of your nieces and nephews will as well!!!. thank you for all of the laughs and the big hugs. I can hear your voice in my head now, you crack me up!!! You Amber, the kids and I have shared many memories and good times and things have definitely not been the same in the last few years but we all definitely love you and will definitely miss you greatly!!!!. I pray you're resting in God's arms now free from all the chaos, pain and struggles❤️

We love you Allen, see you later

“ *Aunt Ruby I am so sorry for your loss, I pray God grants you peace in this time of sorrow. I will share a fun memory of Allen when he was around 2-3 years old. You, Uncle Treman and Allen came to our house in the country and Allen kept his dad and David constantly busy picking out pecan goodies so he could eat the. Seems like he ate at least a gallon of pecans and even took a bucket home so he could eat some later. It's these kind of fun memories that will always be with you and bring a smile. Love, Sherlene and Makalyn*
