“ *Allene Eckfeldt hired me as an orderly in 1972. I am now dean of the Mass General Hospital School of Nursing in Boston. I am also president of the American Academy of Nursing. I say that to underscore how important Ms. Eckfeldt was in my life. She believed in me then and she introduced me to a career in nursing which has been a gift. I am eternally grateful for the opportunity that Ms. Eckfeldt afforded me. My heart goes out to her family.*

I just loved working with Mrs. Eckfeldt in labor & delivery at Okmulgee Memorial Hospital. We spent countless hours attending someone in labor and together delivered countless numbers of babies. She was always professional and a pleasure to work with. I cherish my memories of this sweet lady.

Dear Karen, I remember your mom with such fondness from my early days in Okmulgee. You and I worked together in the orthopedist's office and I've often thought of you and your sweet mom in the years since. Allene inspired so many through her professionalism and kindness and warmth. My heart goes out to you and your family at this difficult time. With love, Mary Brown
