“ *To my Uncle Brock you always made me laugh always fun to be with he had a way of teaching things but you were having so much fun doing it you never forgot. Always funny and great times. I remember one Family Reunion at one of there homes they had metal folding chairs set up all around the yard and a lightning storm was off in the distance and he came out and said you should get out of your chairs if you know what's good for you. I Love You and going to miss you very much. Love and Prayes from Grovers Family*
