“ Ann was a great "Nun and Pirate" at our October Decker Gang Retreats at Dwight Mission! Boy did she know how to quilt and quilt fast! She was creative and had a great sense of color. She often shared her scraps with me and was fascinated when I shared with her my miniature projects from her scraps! Ann loved her family tremendously and spoke often about them and readily shared the latest photos and activities they were busy with, I send my love to each one of you within Ann's Family!
