“ When I think of Ann, I will always remember her laugh. I think her daughters all got that quick beautiful laugh from her. It has always made them such fun to be around! I will also remember the love she had for her daughters and all of her grandchildren and great- grandkids, too. I pray that Connie, Terri, Leah, and Lindsay will remember all the love and laughter and that it will carry you through til you see your sweet mother in Heaven! Much love to you all!
