“ *Bardine Carlton showed great kindness to me when I was a member of the family. He and his wife are salt of the earth people and I wish there were more like them...I remember them with love and affection.*

“ If I had to describe my grandpa with one sentence I would say he was a man of great character with a heart of gold. Grandpa was always a little rough around the edges, but the more time you spent with him you realized that was just a jacket he put on . He was a man of true conviction that loved his family and friends with all he had. Even though he was not a man that showed affection often, I somehow always new how much he loved me. The influence that he has had on my life has truly helped to mold me into the person I am today. The legacy of love he has left his family is immeasurable. It's such comfort to know you are home now and I will see you again someday. It has been an honor to be your granddaughter and to call you my grandpa. I love you so much !

“ I can't thank God enough for Grandpa Bardine who was the best friend anyone could ever have. When I was growing up I couldn't wait to make the trip to Pharoah, OK, when school let out to spend my days with him catching fish and shooting more .22 rounds than one could count. In the evenings we would stay up so late reading books about history and he would always answer any questions I had (he had so many awesome books). My mind is filled with so many wonderful memories of the times grandpa and I shared together. Now I'm married and have four wonderful children of my own. My prayer is that God uses me to be a positive influence in their lives just as my grandpa was in mine. I love you Grandpa Bardine and look forward to the day we will meet each other again, in heaven - Pryce.

“ I want you to know that you all were so special to Aunt Onie's family. We were always delighted when you stopped by to see us, and it is still so today. We were and will always welcome you to our family gatherings. Bardine brought such a special presence to what ever we were celebrating. My heart aches for you all. My prayer for you is that you will find God's greatest peace and understanding as you get through these difficult times. Love and prayers. Beverly (Kirkes) Panach

“*Words cannot even express how Bardine made such an impression in Jacob and I life. I remember sharing many of Sundays hearing wonderful stories and sharing time with such a wonderful family. I remember one time we all were swimming and Jacob walked over to Bardine and said "Grandpa what are you eating?" He replied "marshmallows would you like one?" Jacob sat there with him eating marshmallows and has eaten them for a snack ever since then. It is sometimes the littlest things that touch everyone's hearts in different ways and I will say that he was such a great man and will truly be missed. For all of the family, I will be praying that God will give you peace at such a difficult time. With Love, Amy and Jacob Curtis.*
