“ So sorry I could not be there for the service. My grandmother was an inspiration to me and everyone that she touched. I am so thankful for the time that I spent with her during my childhood and adulthood in Oklahoma. My family and I also cherished seeing her on the two trips she made to California to visit us. Many fond memories of our time together.

My daughter and I will pay our respects in November and visit the gravesite. All the best to friends, family, and acquaintances on this site.

“ *I was in my teens (late 70's) the last time I visited OK with my dad and mom, J.D. (Uncle Glenn's brother) and Faye Tucker. I can't recall all visits with aunts and uncles but recall many fond memories and how both parents, especially dad relished seeing his dad and his siblings and their spouses. Enjoyed the pics especially one of Aunt Belvia and Aunt Jettra Lee in 2013. Sad to hear of her recent passing also. We have and will continue to pray for your family, that The Lord will comfort, as only He can.

“ *Lou and siblings,
Belvia, was like a Mother to me growing up in
the Wilson Community. There are so many
memories to list here but always loved seeing
her every day at school; at Wilson baptist
church where I grew up, she was the church secretary. Belvia, was
always a presence in my life as she and Glen were friends of my
Dad and Mom, growing up. I will miss you, Belvia*
