“ *Grandma Betty,
You were and are still a great inspiration in my life, this poem came
from the kindness and heart you passed to me.*

*With you, a part of me hath passed away.
For in the peopled forest of my mind
A tree made leafless by this wintry wind;
Shall never don again it's Green array.
Chapel and fireside, country road and bay
Have something of their friendliness resigned?
Another, if i would, i could not find.
And i am grown much older in a day.
But yet i treasure in my memory
Your gift of charity, and young hearts case,
And the dear Honor of your amity.
For these once mine, my life is rich with these.
Scarce which part may be greater
What i keep from you, and me to you.
Your unmatched kindness and selflessness
Will forever be passed for generations to come.*

*I love you with all my heart, and every piece that was taken away
with you.*

*-Your loving Grandson,
Brian*

“ *I meant to say Grama Betty, not grams Betty. Sorry for the typo
grandma, but I can't find where to edit it. Xoxo*

“ Grams Betty, Sydney and I love and miss you so much. We will always hold you close to our hearts and you will always be in our thoughts and prayers. You were the sweetest Grandmother anyone could ask for and thank you for passing your sweetness down to my Mother, who is just like you. I wish we didn't live so far away and had more time to spend together. I will cherish all the wonderful memories that I have of you and they will never be forgotten. Even though you will be deeply missed on this Earth, heaven is lucky to have an angel like you, and I know you will be watching over us all. It puts me at peace to know you are no longer in pain or suffering and that you are keeping Grampa Bob and Uncle John company, I know they have missed you! Sydney and I love you with all our hearts and we will reunite with you in heaven someday, but in the meantime you will truly be missed.

Love always,
Tiffany & Sydney
