“ *She was my sister in law, I got close to her, missed her so much when they moved away, but she always had time to chat , She always made me feel right at home. I remember them having these geese and they would chase you. Lou and Tim loved my youngest jojo Tim always made sure he had Lou get cookies for her. I will miss our video chats and how she always made sure I was doing ok. We talked alot about being diabetic cause we shared that one thing. Wish I had pictures to share. Lou tell Tim hi and we miss him and you dont know how much I will miss you lots of respect for you. We love you and will always have you in our hearts. She was a good person. Mother to her boys.*
