Miss Billie and I worked together for years. She was everyone's momma. There will never anyone come close to being as good of a tank manager as her. Me, Jackie and Billie was one heck of a team. I will truly miss my friend

“ My thoughts and prayers go out to the family members. I had the pleasure of working with Billie for 18 years. Billie was all over that plant, and if you did something wrong she would let you have it, and when you were right she let you know too.

Billie always had a big smile. She would say "if mama ain't happy, no one is going to be happy".

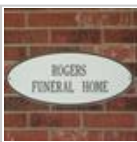

We use to go outside and smoke our cigarettes, that was our break, sometimes lunch too.

We worked good together - Charyl, Billie and I. Those were the good ole days.

Rest In Peace Billie - you can take a break now.

Love,
Jackie
