“ May the personal memories the family and friends have be a source of comfort, and may the promises that God gives be your source of strength, hope and peace. At John 5:28,29 , Jesus Christ himself said: "Don't be surprised at this. A time is coming when all people who are dead and in their graves will hear his voice. Then they will come out of their graves." (John 5:28,29) My sincere sympathy to her family.

Donna Marie, Michael, and Elizabeth. I wish I could be there with you to celebrate your Mothers life, and to just walk thru this with you. I loved your Mother, and I was named after her, you know. I always enjoyed being with her....she had such an infectious laugh, and was always full of fun. I too, remember all the summers that your family would come down to Ferguson to our farm. Those were the good days. She was a really good friend to our Mother. Now they can visit again. I realize that she has been gone from you all for a while, but you will never stop thinking that you should stop what you are doing and call your Mother. She loved all of you so much. Love to all of you, Gloria Jo Beith Holloway

Donna and Family: Tommy and I are unable to make the funeral tomorrow, but wanted you to know each of you are in our prayers.

All of our Love, Tommy and Margo Price (niece to Billie Jo Jones)

Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.

John 14:1-3

“ *Hi, Family. Love you all and wish I could be there with ya'll. Aunt Billie was very special to me as was Uncle David. My delight was ya'll coming down in the summer and then me being able to go back to Oklahoma with ya'll and spend a few weeks. I loved it and it will always be a cherished memory for me. She was very special to me. Love you all very much. Dodo*
