“ I will always cherish the moments I had with Bobbi. I will never forget the brunch we had just us two a few years ago when y'all came up for the reunion. We both had the best time laughing and carrying on, I thought they were going to kick us out of the place ! I also am so very grateful I pulled myself out of my sorrow to come have dinner with her on your last visit; otherwise , I wouldn't have those fresh memories to call on now. I love her so much , and I love you Uncle Steve, Lily and Liv 💕💕 The world won't ever be the same without her shining light; so we must draw upon the light she left with each of us and shine it for her. Love, Christy Rainwater
