“ *I'm so sad to hear about the passing of Brenda. I just heard today & it broke my heart. Brenda was my paraprofessional in my classroom for many years in Wilburton. She was there for me while I was going through infertility treatments & during my pregnancy. She was such an amazing woman & great friend. She moved away & still never once missed sending money to my son on his birthday & Christmas every year. She was always so thoughtful! I loved her & am praying for her family. So sorry for this great loss.*

“ *Brenda was a sweet, quiet person who was also a great friend. As kids of about 14-15, we had some fun times. I am saddened to hear of her passing. My condolences to her family. Daphane Burnett*

“ I attended Wilburton High School with Brenda for 3 years. One year she was the girls basketball manager with the late Linda Mullins. I would enjoy having Brenda and Linda helping with our basketball team. I can still see them pushing the very wide mops back and forth across the floor to get the gym floor clean. When Brenda, Linda, Daphane Weston and I would walk from school to town or Linda's House, Brenda and Linda would have to almost run to keep up with our taller and longer legs stride. I often thought about when she was and how she was doing. I appreciated her daughter in law Amy Slown and Betsy Enis posting about treatments and I prayed for her health to return. Brenda is with God and has no pain. Memory Eternal.
