Beautiful music. The last song gives such peace knowing Bruenell has ran her race and ran it very well. She's home now with her Savior and family who has gone before her. She is redeemed in body and spirit. Her legacy will continue long after she's gone. A true woman of God who mentored so many over the years. Many jewels will be in her crown. She loved her Lord, her family, her church and was an example to all who are behind her.
