“ Mary, Vickie, Linda and Kaye, it’s been a long time since I was around all of you. I was sorry to read of Burls death. I had some good times with Burl, one being going to see The Graduate movie when it came out, in Tulsa. Not many people knew this, however I had many laughs and good conversations with Burl. May God surround you all with his love and peace at this time. Jane Jackson young

“ *Burl was like a brother to me and a son to my parents Kenny & Donna Wilson. Over a 50 year friendship we shared many memories. We made many trips to Norman to watch OU football & basketball games. He & my dad attended Dallas Cowboy football games together. Burl bought an OU hat at an OU-UT football game at the Cotton Bowl in the 70's that he gave to me. I still have it. He & my son Steven attended OU games & played many rounds of golf together. He was a frequent guest at our house for Thanksgiving. He was a wonderful, caring friend, brother, uncle & son. My love & prayers to Mary & Vickie & the entire family.*
