We're so shocked and sorry to hear of the passing of our classmate and friend, Carl. He was truly a great person with kindness and compassion and always a smile. He was a dear friend to Denny and he is missing him very much. The class of '59 will be very sad to hear of this. We love the video, the music is fitting, and we cherish the memory of him and his Ford with the visor...so cool. Heaven's gain is our loss. May God bless and be with his dear family as they mourn his loss. Love and prayers, Denny and Becky Hold

“ Carl was one our "gang," along with Lloyd Morris, Johnnie "Bambi" Sams, Joe Poor, Dale Dickey and myself when we were juniors. Paul Carey was also part of our group; he was a sophomore that year. I have told many people over the years that I enjoyed my junior year so much because of these guys. Carl was most responsible for my enjoyment. He truly was my friend.

“ So many memories of trekking to Oklahoma with my "Two Moms," to see the family in Oklahoma... One year when I was 10 or 11, Carl gave me a Buddy Holly album and later the Beatles first album. He always made me feel so grown up because he would talk with me about music. So much love in this family. Going to miss you everyday.
