“ Sherry, my heart goes out to you and the rest of Carl’s family. I never thought that Carl let much keep him down for long. Having said that, I believe that Carl has enjoyed much happiness since the two of you found each other. I know how proud he was of you, his children, and his grandchildren. Carl was always a good boy and then a good man. I know that Carl was a family man at heart and that you are as well. This made you a good match. Please know that I am praying for you all, and I believe that the arms of our Lord are holding you now. Love you, Susi.

“ Sincere condolence to the Craft family. His work ethic remained throughout his life. When he was young he rose before dawn and worked for Mr. Swyden at the bakery then ran or rode his bike to the In & Out Drive-In to clean the entire parking lot for Mr. Thompson. He was a true home grown, small town, Henryetta boy. He will be greatly missed as part of the community.

Carl was a great friend, a brother. We shared so many laughs, some tears, and even a couple disagreements. But the disagreements didn't last long before we were laughing again. He thought me so much about our trade, I was lucky to work side by side with him. He was an amazing man who will be missed by anyone who had the pleasure to know him.

I'll never forget when Carl had me cut the Anchor logo in his hair on the back of his head and he went around showing everyone and there was a picture of it in the local plant paper, We had some good laughs and worked together on production problems. He will be missed by everyone.
