

Carolyn Harmon

December 27, 1952 - February 29, 2024

Carolyn “Sue” Harmon, a resident of Henryetta, passed from this life on February 29, 2024 in Tulsa, OK at the age of 71. Sue was born December 27, 1952 in Okmulgee, OK to Eddie Dee and Mary Anne (Wilson) Harmon. She grew up in Dustin, OK, graduating from Dustin High School in 1970, and was a citizen of the Muscogee (Creek) Nation. Sue worked for Anchor Glass for 20 years. She was a member of the Ladies Auxiliary at the American Legion, where she spent many fun times laughing with friends. She also worked there for several years. Above all else, Sue loved her family. She was a loyal and loving Mom and Granny, and she was there for everything. She was sweet, generous, and always had something completely unpredictable and often hilarious to say.

She is preceded in death by her parents and her brothers Charles, Gene, and Sam Harmon.

Sue is survived by her daughter and son-in-law Annette and Erick Sisson of Henryetta; her grandchildren Krystian Sisson of Tulsa, Kelsey Sisson of Austin, TX, and Kameron Sisson of Henryetta; her great-granddaughter Genevieve Sisson; her sister Virginia Nienhuis of Houston, TX; and several nieces and nephews.

Funeral service will be 10:00 am, Tuesday, March 5th, 2024 at the Henryetta

Church of the Nazarene with Paster Lowell Churchill officiating. Services are under the direction of the Rogers Funeral Home. Viewing will be at Rogers Funeral Home from 10:00am-6:00pm Monday, March 4th, and family will be present to receive visitors from 4:00pm-6:00pm.

“ Sue was a member of our extended family. I was always glad when she was able to come for our holiday gatherings. She always had a smile and a compliment when we were able to be together. Her resilience was amazing as she faced her illness. I loved how her immediate family doted on her and how she loved them so dearly. I'm so grateful that she is in the arms of Jesus. May you find comfort in knowing that. My prayers are with Annette, Erick and my great nieces and nephew. I love you all so much.

“ Because we share the same grandchildren, Sue and I were together a lot over the last 30+ years. Every milestone in their lives, you could find us there, sharing those moments. Sue was included as one of us at holidays with my extended (Johnson) family as well. The last time I was able to have a good visit with her was when I brought her back to Henryetta from an appointment in Tulsa. We enjoyed some laughs as she was upbeat and positive in spite of her illness. One thing for sure, you never had to wonder what Sue thought about something. She let you know! I am thankful that my grandkids had such a caring Granny. She will be greatly missed. God rest her soul.
