“ *I remember when we were younger both Sheralyn and Carolyn went camping with us down to the river. We had a orange Dodge van. My dad was telling us a story about wolves eating kids and about that time something howled and scared all us girls and we slept in the van with my mom and dad had to sleep outside because we were not getting out of the van. I will never forget this memory because as kids we had no worries. All we thought about was having fun.* ”
