“ *I just need to say my heart goes out to everyone. I think I will always have the best memory I am the mother of his only child Te'Rie Bevenue. My baby girl was very blessed to have the best father. He was very kind and generous. Easy to get along with. He really hated confrontation even though he was so scary looking sometimes. Lol. You could ask my brother about Charles knocking the door off of our old house. Just by knocking on it. :-» for it to scare him bad enough to run because he just got cot skipping school. That was back in the day. Charles we will always miss you. I'm just so blessed to have his wonderful daughter. I love you.*

Te'Rie Bevenue - January 10, 2015 at 01:23 PM

“ Charles, Deadra and my father (Steve Selvidge) went shooting and I was watching my sisters and Blane and Haleigh. We were all outside where a fire had been going from the night before and Blane through a can of foam in it and it exploded on me. When the adults returned home, they were scared to death. O had foam all over my face, hair, and body. Charles sat me down and brushed all the foam out of my hair. He brushed for hours and he tried so hard not to hurt me anymore than I already was. He was the sweetest and most caring man I know. And I'm glad I had the chance to experience some amazing things with this wonderful man.

“ Charles, D, Hailey, and Blaine came over and my the adults stayed outside while the children stayed inside. Us kids would sneak outside and try to scare the parents but we never could because of Charles. He was mowing our lawn for hours in the dark. As morning came we could see where Charles had been mowing and our grass was horrible. My dad had to get out there and fix it. We love and miss you so much Charles.

“ *This is REALLY hard for me to swallow. I hadnt seen Charles in ten years or more when im sitting at work at the gas station at pharoah when charles emerges from a vehicle that just pulled in. As he came through the door I said to him," Charles come in here. I havent seen you in years!" He replied " Yes its been a few!" We shook hands a conversed about life for about five to ten minutes and as he left I told him to be good and take care and he paused in the doorway and looked back he told me to do the same and told me it had been good seeing me. That was the day he had come to see his dad whom he told me he had not seen in quite some time. Charles was THE nicest big man Ive ever known. Im glad he liked me thats for sure. He'll be missed greatly! R.I.P. Charles! Glad I got to speak to him one last time.*
