10 years ago, someone took your life, while those responsible enjoyed theirs.... They might think that they got away with murder but when God says enough is enough..... You all must pay the debt(s)! Your times coming..... Time is short! Repent while you can. There I said it.

“ *Death is nothing at all. I have only slipped away into the next room. I am I, and you are you. Whatever we were to each other, that we are still. Call me by my old familiar name, speak to me in the easy way which you always used. Put no difference in your tone, wear no forced air of solemnity or sorrow. Laugh as we have always laughed at the little jokes we enjoyed together. Play, smile, think of me, pray for me, Let my name be ever the household word that it always was. Let it be spoken without effect without the trace of a shadow on it, Life means all that it ever meant. It was the same as it ever was; there is unbroken continuity. What is this death but a negligible accident? Why should I be out of mind because I am out of sight? I am waiting for you, for an interval, somewhere very near, just around the corner. All is well.*

years ago I always found you to be very kind and loving. You always
had a smile for everyone. Over the last few days many memories of
the times we shared have come flooding back. Thank you for
sharing someone very precious with my family. One day we will all
be together again. Until then when you see my Heather give her a
hug for me. Your family are in my thoughts and prayers at this time.
