“ I worked with Clint for 14 1/2 years before i retired and considered him a good friend. He would always send me cute posts of kittens and puppies. We still private messaged on Facebook. Last time i heard from him was on Nov. 24th. Patti Cook is right, he is in Heaven taking care of all the animals. He always called me "old Lady". RIP Clint.

“ Clint or Big Daddy as we called him was a gentle guy. He always came to me with a question or just to vent. His love of animals was awesome. He always had to show me pictures of his kitties. He was a friend and will be missed. RIP Clint.

Every kitty in heaven will be taken special care by Clint. Gods speed and God Bless. God Bless your family.*

“ *I always felt like Clint was my blood cousin, not an in law. He was there with a smile and a gift when each of Michael and I's children were born, and I will be grateful for all the laughs and good times we've had over the 23 years he's been in my life💜 I'll miss him a lot but I know he's reunited with his momma, grandma and grandpa in Heaven, and not in anymore physical pain. Bye cousin🥹*
