“ Bryan & all of Dale's family & loved ones,  
We are very sorry for your loss. I went to school with Dale for a while in middle school & high school. I remember that he had a great smile. I haven't seen him in recent years, but it sounds like he was great fun to be around. May your sweet & funny memories comfort you in the difficult days ahead.

“ I lost a very good friend today, Dude was a very good neighbor and I could always count on him , I will really miss him and just knowing he is gone sure does hurt, we spent many hours together listening to his good music.and also to his singing, Jerry was always there along with numerous other friends and we always had a good time.

Dude was a really funny guy and was usually a very happy person.But this last year has been hard for him and his family, li know that he is out of pain and misery and for that i am thankful WE ALL LOVED YOU ,DUDE AND WE WILL SEE YOU AGAIN
