Danny was an expert mechanic and devoted friend to our family. He always had time to talk with us about mechanical problems and had great insights to help us resolve them. He had a great sense of humor and a witty reply to keep us smiling :-). He will be missed and often thought of.

Hey old buddy Brock you are leaving an empty space in my daily life. Going to miss the every day chats on the phone, the countless hours of war stories we told and you just being a friend. Maybe all the pain is gone now. Brock you have always been my friend and always will be my friend.
