“ I'm still can't believe that you are gone. Life doesn't seem the same without you around. You were not just family but you were mine and Phillip's best friend. You were always the one that went fishing with us and always helped get stuff ready for whatever hunting season was coming up. You were so good with our kids. Jaxson loved when you and Phillip took him fishing. He talked about his Daniel took him fishing and he caught a worm. You were there when Phillip took Carson turkey hunting for the first time. Mattie would always love when you were around cause the two of you would pick on Phillip together. You will always carry you with us. I will never forget all of the fun times we had with you. We love you and miss you so much. Fly High My Dear Friend.

“ *Daniel (Chicken Little) where do I begin? I am crying as I write this still in disbelief. I took you in under my wings as one of my own. My kids thought of you as their brother. There was NEVER a time when you didn't put a smile on our faces. You shared family times with us. You are one of us. I miss you so much! I know you are hugging your daddy again as that is what you wanted. Fly high son fly high! Til we meet again.*

“ *Daniel was a great friend to my children, when we was together he took us out to the levee on the four-wheeler, Turkey hunting, coon hunting, and we shot targets off of a trash can. Thank you for being there for my boys when they needed a friend the most. You will be greatly missed.*
