“ *Baby people said we would not last a year. We proved them wrong. Doctors gave me you for 5 years so they said. Our love gave us 10 wonderful years. You and our fur babies was my world. Now I must continue on with you in my heart and mind.*

You will always be the wonder loving man that made me whole.

Thank you for choosing us for the final journey here on earth. If tears could build a stairway to you I would of got there and would have been waiting for you.

Our fur babies and me will be together again.

Love you and my vows will always be “Right back at you”

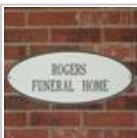

Love you Daniel Leon Smith.
