You will never know the impression you left, or the memories you helped create. A lifetime of love when you didn't have to. Miss you already, but know you are reunited with Nana & Papa, Mamma and JP, catching up on all the time that has passed. Until we meet again.

My fondest memory will be when he was in the Navy and came to stay with us in Redondo Beach. I followed him around like a pup. Sat with him in the front yard while he shined his shoes and he gave me "Dan" advice on life. I wish I would've told him in life how much that meant to me. Love and miss you Dan.

“ Our beautiful precious wonderful Lana and handsome wonderful son Logan and beautiful wife Jessica and our handsome wonderful Jesse and our beautiful precious Emersyn and all this amazing family, oh how we love you all. We have prayed so diligently and faithfully for each of you. Oh how we loved Dan. He was so dear to our hearts. Lana and I worked together for twelve years at the bank and ten years at the Technology Center so we have become family. We have enjoyed your happy and joyous times and we have ached and hurt right along beside you all during the difficult times. We thank
Our God for the wonderful life of Dan Rose. What a gentleman!!! He has battled hard to remain with you all. But our God is in control and has called Dan home. Truly this world is not our home. We're only passing through. But we thank our God for giving Dan Rose to each of us. Oh how he loved you all. And loved his precious Lord and Savior Jesus Christ. May God continue to bless. We love you all.
