“ Going back over 55 years I have known David. I can say that he is the oldest and best friend I had! From our time together on the junior high tennis team starting in the spring of 1966, both had soap box derby cars the year he won, our high school years hanging out together with Randy Watteau and Tom Hefner, and those three served at my wedding, and staying friends up until his passing. I have to say David is the closest friend I have ever had. We stayed friends because we both wanted to. We shared a lot of time together through the ups and downs and will truly miss him. He was like a brother in many ways. Cared as well for David's family as well as they are indeed special people. To you Becky, Lou Ann and Becky I am sorry at David's passing. Thanks David for being a good friend and for all you did for me and hope I was helpful to you and wish I'd done more!
