*Debbie was a sister that I never had. She was a beloved member of our family. We were happy and celebrated when she was happy and we mourned when she hurt.*

*Now Debbie has started the next part of her journey. As spirits renewed in Christ, we rejoice and celebrate for Debbie. Only other believers in Christ can understand why we rejoice and celebrate in the death of a loved one. Thanks to the grace of Jesus Christ, death is no longer to be feared. As spirits in Christ, 2Co 5:8 tells us that when our body ceases to serve us, our spirit will be with God. Do what Jesus commands in John 3:16 and you too will also be a renewed spirit in Christ.*
