“ *Delores Faye Fox was an amazing and inspirational wife, mother, grandmother, great grandmother and woman. She truly could make anyone feel welcome with just a small smile. She was very protective of her family and would do anything for them. I'm lucky enough to have had her in my life. All though she was my grandmother she was more of a mom to my sister and I. She taught us what it is to be strong, loving, and independent women. My grandma was beautiful, smart, and quick with comebacks. I feel honored to have had her in my life as long as I did, and I'm truly sorry to those in our family who will never get the experience of having her guidance.*
