“ *Just getting my drivers permit, I remember as if yesterday driving from Oklahoma to Washington to visit my dad and meeting Mr. Bevan. For years, my dad helped Mr. Bevan work on pipeline jobs. That day sitting in the truck with them two, that was the day I was inspired to become a pipeliner. I've been in the business ever since. Thank you Mr. Bevan. I will never forget.*

“ *To Donald's family: It just doesn't seem possible Donald left us so quickly. Many thoughts went through my mind this last month on his progress. I was stunned to find out he had passed away. With deepest sympathy I send prayers and thoughts and a peaceful good-bye to a very old friend. We had some great Church days together and family connections. May God give you strength and peace knowing what a good person Donald was and his eternity is just beginning.*

“ Tracie, Madonna, Darby, Randy, Sherry, Ciara, Tanner, Kenny, Carol and more: I am so thankful that my childhood memories and many adult memories will always be filled with the Bevan/Webster family. You know Don and Madonna were like my second parents and losing Don was like losing one of my own. My love and heart goes out to all of you. I am grateful the Lord was persistent with me to come see him that Friday afternoon. HE knows what HE is doing. I love you all like family and am here night or day for whatever you might need. “ *Madonna, Randy, Tracie and family,*

Please know you are all in my prayers. I am so saddened to learn of Don's passing, and I am thankful that you have each other and a lifetime of sweet memories to comfort you. I have fond memories of elementary school through high school with him; and later, it was nice to get to know him as a wonderful father when I had the privilege of having Randy as a student at Henryetta High School, and even Tracie for a short time at the college in Okmulgee. He always seemed bigger than life and I know he will be missed by many.

“ It's so hard to hear about the passing of an old friend. Our Class of '65 at HHS was gifted with so many kids that accomplished so much. I can't think of one person who didn't like and admire Don. He was a gentle soul and fierce competitor. We attended the same church and Sunday School classes. My heart is sad for my loss, but also glad that Don has found his way to eternal peace. My prayers and condolences are with Madonna and his family. Don will be missed.
