“ *Carol we have an Anchor page for our union and I posted about Don's passing. Everyone has been talking about him, stories from back in the day. I don't think I ever seen him mad and never heard him raise his voice. My thoughts and prayers are with you and your family. (most stories were about his well kept lawn)*

That's so nice to hear! The last couple of years, he had to give in and let me mow and I "didn't do it right." He would usually go in the house so he wouldn't have to watch. LOL Great memories!
