I loved this man so much. Even though he was my stepdad il loved him like my father. He was a great man and was always there for me and my babies. He taught me alot about life and he was always wearing a smile on his face and always joking around and pulling pranks on all of the kids and grand kids.THANK you DON for always being the're for me and loving me like I was your own and for being a wonderful grandpa to my kids. I have many wonderful memories to always remember and share. I love you and I know that one day I will see you again . LOVE, LAURA.
