“ To Phyllis and the family,

*Lorie and I are saddened by the passing of Don. We will always remember the times shared with you and Don at the church. When there was a funeral dinner, you could always count on Don to be there serving the family. He truly had a servant heart. Our thoughts and prayers are with you all as you grieve his passing. Don is absent from the body but he is present with his Lord today. What a blessing in knowing he is with Jesus and we will one day join Don in praising our Savior. God's comfort and care be upon you and your family*

*What a wonderful blessing when we heard regularly from our Cousin Don up here in Washington. Ben and Don reminisced about all the times in Maud, growing up and enjoying the cousins. Phyllis, you've always been a gem, meeting you 56 years ago and loved you both. Our hearts will be remembering the memories of your love together and the example you've been, glory to God ! We will see Donnie soon. Love and prayers for the days ahead, Diane and Ben*

“ He is going to be missed. He was such a servant to God. I have known him for most of my life. He was one of my 1st grade Sunday school. I learned so much from him.

I'm so sad about Dons passing. He was such a good Christian man and such an asset to our church. Our church family will miss him and will be there to comfort Phyllis.
