“ Donita will be terribly missed by many! I also remember her days at Rockies. She was always partial to the kids. She and Nicki became friends when Nicki was just a little girl. I never saw her that she didn't ask "how are the kids doing?" The world will miss this very nice lady. I will miss this very nice lady. My sincere sympathy from my family to your.

“ Don it a had such a bright way about her. She always had time to listen to silly stories my son would tell her when we went to rockies every Saturday whill he was a toddler. Each time I saw her she asked him even when he became a teenager. Her charismatic way with children was such a blessing to us. Prayers and sympathis from our family to yours.
