Dottie and I met 20+ years ago when Sebastian was born. We are both Grandmothers to Sebastian and Telsa, and we have been friends ever since, sharing some very memorable time together through the years! Dottie was the best friend anyone could have; she was so caring and so much fun to be with! I will miss her as will her family. Prayers to family.

“ I was blessed to get to know Dottie about 10 years ago. She was a wonderful lady and so thoughtful of others. She was very vocal about her political views and you did not want to get her started on that subject unless you wanted an argument if you didn't agree. Chris, Tiffany and family my heart breaks for you all. You are all in my prayers because I know the pain of loss and it will be difficult days ahead for you. Love you all, Mandy Peters
