“ *Uncle Doyle was the best I to loved the stories and He was the best at practical jokes.
I used to look forward to there visits to Alabama .
Love you.
He was hands down the best uncle in the world.*

“ Our great Uncle Doyle is in a great place...Joining our many other blessed Family... A never ending clan of AWESOMENESS... Uncle Carl Uncle Clay.. Step Dad Bill Aunt Thelma Aunt June Aunt Reba... and of course our remaining Elders Uncle Bob. Aunt Lawana and Mom Juanita.... Never forgetting the Great Dinners at Grandma House...oh those fried potatoes... and chicken..... And the Aunts bringing Special dishes..... And yes Uncle Doyle and Carl with their special laughs.... or the Family reunions at Nichols Park... How do you list the memories ? How do you show your feelings ? By the way the Cunningham Clan goes back to 54 bc. Scotland..... How many Generations..? I don't have the words as Marilyn Or Linda or Gail. Have expressed..... But time to put Animosity and Bad Feelings behind..... because no matter your LAST NAME. WE ARE ALL CUNNINGHAM... Yes Uncle Doyle Thanks for free Cokes at the Conoco.

“ Uncle Doyle was very kindhearted and loved his family with all of his heart. He cherished his precious wife Lawanna and always let everyone know you was perfect! I loved hearing his stories about him and his sister, Juanita, (my mom) and all the things they went though as children. Walking miles, working in the fields, having picnics on their way to town after riding all day in a wagon to get there, memories just go on and on that will never be forgotten. We love him very much and he will forever be in our hearts!

“ Doyle was my friend. One of the smartest men I've known but only had a 6th grade education. A faithful supporter of the church he loved. He adored his sweet wife in over 70 years of marriage. I have many good memories of our friendship. He loved the Kennedy family from many years back and he liked to talk about those good old days out at the rock store and the little church they attended. The world was a better place because he was in it.

“ Uncle Doyle has always been larger than life in my eyes. The last few years of his life was not who he was. He was funny, kind, loving and always there to help when we needed him. He will forever be etched in my  heart as one of my heroes.
