“ *i remember how monroe's mom and dad had a goose in the yard. i was scared to death of him.. monroe would push me out the back door so that the goose would chase me and he would chase it and catch it. it was such a funny sight. me running from the goose and monroe behind it trying to catch it. i have so many memories of him that i could write for days. i will miss him so much. he was not only a brother-in-law, he was my good friend.*
