“ Eddie, you are going to be missed so much by me. I will miss all our conversations by phone and the trips you and the kids made to North Carolina to visit, it’s just not going to be the same, but I also know how much happier you are now since you will be with Gaynell just like you wanted to be. thanks for always being a great brother in law to me and know your kids will carry on in your place because you and Gaynell raised a great bunch.

“ Mr Fields was my neighbor for 23 yrs, I couldn't have asked for better neighbor's, He was always there if I needed him, he kept his place like a golf course in the summer, his little dogs got out one day and I headed them back home, Mr. Fields was in the backyard waiting, LOL, I was very upset and he asked me what was wrong, I had just lost my DAD and he was so comforting and told me to give it to the LORD and he would help me. I told him I knew he would but my heart just didn't understand. I have clung to these words since 1/8/19 and I want to share with you, I hope they help as much as they have helped me. I will miss my good neighbor but I know he is in a better place with DAD.

"The reality is that you will grieve forever. You will not 'get over' the loss of a loved one; you will learn to live with it. You will heal and you will rebuild yourself around the loss you have suffered. You will be whole again but. you will never be the same. Nor should you be the same, nor would you want to."
