“ I wanted to say so sorry and my prayers are with you both, Connie and Mrs. Kelly. I know i really did not know him but the two times he and Mrs. Kelly came to visit. I enjoyed speaking to him. He reminded me so much of my grandpa, looks and personality. He seemed to be well rounded with pilots license and all. My thoughts are with the family.

“ Georgia - My condolences for your loss are with you and your loved ones, and with Junior's brother, Frankie, who along with Junior was one of my good friends while growing up in Henryetta long ago. You have many years of memories that you can share with Junior's loved ones who didn't get to experience them like you, but can pass them on to others over time. I've read somewhere that one isn't really gone until all those who remember him are gone. It will be a long time before Junio is gone.
