“ Ed was a most unique individual--as a teenager he went off to serve his country with The United States Marines and returned home with severe war wounds that he silently carried for the rest of his life--as he was raising his beautiful sweet daughters and sharing his life with his soul mate Dorothy Jean. There are not enough words to describe the respect and admiration that we have for Ed--the most steadfast person whom we have ever crossed paths with. The Henryetta community has lost a True American Hero. Dorothy,Lisa,Teresa and Mary we love you and can feel your grief.
