*You were cocky, humorous, self-centered but at the same time you were caring, understanding and compassionate. You would give them hell while we were in drug court, that's when we got to know about each other and how we got to that point in our lives. You had a smile that would brighten any room. Your laugh was contagious. ONE OF A KIND MAN.
YOU WILL BE MISSED MY FRIEND.*

“ Eric and I met in drug court. We had a group of us that would have game night or watch movies at my house. He had a contagious personality. He had a sense of humor that would have you laughing uncontrollably. Eric shared a great deal of his personal issues and insecurities. He was a great dad and loved his children and was very proud of them. He wanted people to think he was all tough but he had kind and caring heart and would help anyone who needed it. I'm so blessed to have known Eric he was truly a great friend and I will miss him dearly. R. I. P my friend until we meet again.

“ Eric was always the sweetest to me from the time we were in school until the last time I seen him, just about 2 months ago. He always said I was with the wrong guy and he would treat me like I deserved but I had to give him a chance followed by a smart remark that always put me in laughter. The guy had a way with words, he could make you smile, laugh, and shed a few tears (only because you were laughing so hard at him). I will miss you so much Eric. RIP sweetheart!!
