“ I thought that Evelyn was a remarkable woman. She raised three great kids as a divorced mother back in a time when divorced women were not held in high esteem. We know where she is and those of us who got to hang out her house/beauty shop know our lives were touched by her in a most positive way. All my love to Monte, Delilah and Michelle and their families. How lucky you were to have her so long and how wonderful you were to her. I love you all and my prayers are with you. XOXOXO

“ Mrs. Broome was such a special lady and I remember the good old days when she and Toots would come to Tulsa to see us! And how she was always there for the Allen family! She is now reunited with Toots and I can only imagine what a time they're having! My thoughts and prayers are with the entire family! Love, Nancy Allen

“ *Evelyn cut, permed, and cajoled my hair when I was a pre-schooler and thought that all beauty shops were next door to their owner's homes. My mom and I admired her greatly, as did so many in our hometown. My prayers go out to the three of you, Monty, Delilah and Michelle.*

“ *Evelyn used to be my beautician when I was a young married woman. She was a hard worker and always interesting to talk to. She is the one that gave me my first short hair cut after wearing it long in high school. I've worn it short most of my life since then.*
