“ Rest in peace, your time in hell is over. My hat is off to anyone who is willing to work in a county jail or prison. I do not have the patience for that for sure. It takes a special person to do that job. Thank you for your service Gary, you will not be forgotten. God bless the family, friends, and co-workers of Gary Davis Jr during this time of tragic loss.

“ Gary has lived across the street from us for more then 15+years. He had a heart of gold and never turned anyone down who needed help. He was a very good friend of our family and we always looked out for one another. The Howard/McDaniel family will miss seeing him around. So sorry for his families loss.

“ I can still remember my first day in the jail. You and Bill used to give me so much crap (Mainly because I was short). I knew almost instantly that we would be great friends!! Thank you for always taking care of me and teaching me how to be better. I wish I had one last chance to tell you this in person.

“ Much more than a “Jailer”. Gary was a reserve Deputy for many years! Transporting prisoners, courthouse security officer and one of the most reliable and steady employees I have ever had the honor of serving with.

“ There are so many memories that I could share about Gary. But my favorite ones are when he was training me when I started working at the sheriffs office and he kept a big stick in his hand and every time I would make a mistake he would slam it down on the desk and tell me to get it right. And then there were the times that he knew when I needed a shoulder to cry on and he allowed me to cry on his shoulder. He was more than my friend, he was my brother.
