“ Gene was always so stoic. The Indian coming out in him. He was never missed a beat to help someone and with that help his humor always came out. Sure will miss him. But I know he will be watching down on us with that twinkle in his eye.

We all loved Gene and his family. He was such a gentle man and loved the Lord. I'm so thankful we got to share a part of his life and because of his salvation will share eternity with him. Thank you Lori for coming with him to Mississippi so we could let him know how much we cared for him. Our prayers will be with you and the family during the days ahead.

Gene's smile says it all. He was the most gentle, loving soul I've ever known. Lorri was blessed to spend over 20 years with this man and I'm so thankful she did. She deserved his love and kindness. Go with God, mean Gene!! We will miss you everyday, till we meet again.

“ I'll always remember how much the kids loved him on Wednesday nights at church. He was Mr. Gene, the guy with tattoos and a long braid. And we could always count on him. There was such a hole in the program when he left. He had a way of reaching the kids and we loved working with him. Gene was a wonderful man and good friend. He'll be missed so much.
