“ *A few years ago, I went with my husband Donnie[who was a truck driver..long hauls]...he told me we would be going thru ok.city and asked if I wanted to visit my relatives there..of course I said YES..George and Roseanna came to get me at the truck stop,,I got to spend the day and evening with them..I enjoyed myself so much..He had a cow and he said she was in the pasture and all he had to do have her come running was to call for her..sure enough she came running up to him..I thought that was pretty neat...George, Roseanna and some of the family came to North Dakota one year..we had a big picnic on the 4th of July..my brothers have a small band so we had live music..George and Roseanna showed all of us how to really dance..I am so glad that I was lucky enough to have met George and Roseanna...BEAUTIFUL people...Rest in peace George..love Madonna.*
