“ Ron and Dee - My mom always thought so highly of your mom and had a lot in common in their chosen professions. Mom was at American Exchange Bank for 55 years and loved her job as well as the people she worked with just like yours. You were blessed in having her with you for so long and I know you and your children and grandchildren will cherish the memories of times spent with her. I think we were all so very lucky to grow up in the town we did and at the time we did. Our parents instilled morals and values in our lives by living theirs the way they did and being the best role models we could have ever asked for. I know Dee lost her mom not too long ago and I don't care how old we are, it's devastating being an orphan but they gave us a wonderful life and we know we'll all be together again. You and all your family are in my thoughts and prayers.

“ Please know how much your Mother (Grandmother) loved you all and talked of you so often I feel like I know each of you myself. After working for Gerry for 21 years she was like family to me also. She told me of all the holidays and the many birthdays, but you all have to know that the last trip she took with you to "the great outdoors" was so special to her...she wasn't going to go "I'll be in the way" she said. When I came back the following week I picked up the pink camouflage pull over I said, "whats this" OH we all had matching jackets! She went on to tell me what a great time she had sitting out watching the "little ones" riding the 4 wheelers and then she said She rode the 4 wheelers and shot guns! We just laughed! Gerry said she was treated like a queen saying she got the nicest room. She always said, "My kids are so good to me" and loved how the Grandkids would come down and take her to lunch. Just the other day Ronda came town to teach her how to do Text Messaging on her new smart phone. Amazing Lady! Love her so much.
Prayers for all of you.

“ *Condolences to Geraldine's family. I remember her well from when I was growing up in Henryetta (7 years younger than Geraldine), and especially remember her father, Bob Lewis, who was sort of like an uncle to my sisters and me in both Kansas and Henryetta - well before he lost his arm at the Blackstone mine tippie. Geraldine's brother, Doc, was an honorary pall bearer at my father's funeral. Geraldine and her family have been good people, and those of you who remain, and I, will remember them she and all the rest well Bless you all.*
